PRAMES MAANIKAM

A person with a passion for learning, building projects, and working in challenging environments in order to gain more experience.

PROJECTS

XO

<https://github.com/Dummk0pf/XO>

This is a console-based project written in Java. This is the game of XO or Tic-Tac-Toe both in single-player and two-player mode

PORTFOLIO

<https://github.com/Dummk0pf/Gyanmatrix-Internship---Portfolio>

This is a project done for an assessment. This is a static web page of my portfolio at the time of participation written in HTML and CSS.

SMARTGLOVES

<https://github.com/SarikaRamamoorthy/SmartGloves>

This is an electronics prototype done to help in changing sign language to speech, I have contributed to this team project by writing the Arduino code for converting the hand movements to text and sending the text to the Android app.
